14. CONTRACT TERM/RENEWAL

- A. The contract resulting from this Invitation for Bids shall commence effective upon issuance of a term contract by the County and extend for a period of one (1) year. The contract may be renewed for four (4) additional one (1) year periods, upon mutual agreement of both parties. If any such renewal results in changes in the terms and conditions, such changes shall be reduced to writing as an amendment to this contract and such amendment shall be executed by both parties.
- B. The initiating County department(s) shall issue delivery/purchase orders against the term contract on an "as needed" basis.
- C. If the quantity of a unit priced item in this contract is an estimated quantity and the actual quantities ordered are more than 50% above the estimated quantity, the County shall enter into negotiations with the Contractor for a lower unit price which shall be incorporated into the contract. Failure of the Contractor to agree to a reduced unit price may result in the termination of the contract and re-solicitation of the requirement.
- D. Any order issued during the effective period of this contract, but not completed within that period, shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and the County's rights and obligations with respect to that order to the extent as if the order were completed during the contract performance period.

15. PRICING

The County requires a firm price for the entire contract period. Invoices shall be reviewed to confirm compliance with contract pricing. Failure to hold prices firm shall be grounds for immediate termination of the contract.

16. PRICE ESCALATION/DE-ESCALATION (CPI)

The County may allow a price escalation provision within this award.

The original contract prices shall be firm for the entirety of the initial (first year) contract period. A price escalation/de-escalation will be considered at the time of contract renewal and at 1-year intervals thereafter, provided the Contractor notifies the County, in writing, of the pending price escalation/de-escalation a minimum of sixty (60) days prior to the contract renewal date. Price adjustments shall be based on the latest version of the Consumers Price Index (CPI-U) for All Urban Consumers, All Items, U.S. City Average, non-seasonal, as published by the U.S. Department of Labor, Bureau of Labor Statistics. This information is available at www.bls.gov.

Price adjustment shall be calculated by applying the simple percentage model to the CPI data. This method is defined as subtracting the base period index value (at the time of initial award) from the index value at time of calculation (latest version of the CPI published as of the date of request for price adjustment), divided by the base period index value to identify percentage of change, then multiplying the percentage of change by 100 to identify the percentage change. Formula is as follows:

$$\text{Current Index} - \text{Base Index} / \text{Base Index} = \% \text{ of Change}$$

$$\% \text{ of Change} \times 100 = \text{Percentage Change}$$

CPI-U Calculation Example:

CPI for current period	232.945
Less CPI for base period	229.815
Equals index point change	3.130
Divided by base period CPI	229.815
Equals	0.0136
Result multiplied by 100	0.0136 x 100
Equals percent change	1.4%

A price increase may be requested only at each time interval specified above, using the methodology outlined in this section. To request a price increase, Contractor shall submit a letter stating the percentage amount of the requested increase and adjusted price to the Orange County Procurement Division. The letter shall include the complete calculation utilizing the formula above, and a copy of the CPI-U index table used in the calculation. The maximum allowable increase shall not exceed 4%, unless authorized by the Manager, Procurement Division. If approved, the price adjustment shall become effective on the

contract renewal date. All price adjustments must be accepted by the Manager, Procurement Division and shall be memorialized by written amendment to this contract. No retroactive contract price adjustments will be allowed.

Should the CPI-U for All Urban Consumers, All Items, U.S City Average, as published by the U.S. Department of Labor, Bureau of Labor Statistics decrease during the term of the contract, or any renewals, the Contractor shall notify the Orange County Procurement Division of price decreases in the method outlined above. If approved, the price adjustment shall become effective on the contract renewal date. If the Contractor fails to pass the decrease on to the County, the County reserves the right to place the Contractor in default, cancel the award, and remove the Contractor from the County Vendor List for a period of time deemed suitable by the County. In the event of this occurrence, the County further reserves the right to utilize any options as stated herein.

Areas to be cleaned will generally be the entire street, curb to curb, with curbs and gutters. These specifications are end-result oriented. Although the sweeping activity will be accomplished by mechanical means, these specifications are not intended to be restrictive or limit other techniques that achieve the specified and desired quality.

Disposal/Dump Tickets: All disposal/dump tickets/manifests regarding the disposal of street sweeping debris shall accompany all invoices sent to the County.

Debris Weight: The total weight shall reflect all material removed from the roadways during sweeping events and prior to any post collection sorting, screening or separation and shall be provided in the form of daily dump tickets. Dump tickets shall be submitted along with monthly invoices. Dump tickets shall reflect only that material which was collected for streets identified in this contract. The street sweeper shall start the daily sweeping with an empty hopper. No carry over from previous jobs will be allowed.

Debris Screening: Collected sweeping debris shall be screened with a ½” screen. Debris screening events shall occur quarterly during the calendar year during the months of March, June, September and December and shall take place for the entire month. The Contractor shall provide its own site and equipment for the screening of street sweeping debris. The weight of screened material shall be submitted along with the monthly invoice for the month that the screening event has occurred. The weight shall be displayed in a separate dump ticket for each debris type weighed (one for sand/silt and one for trash/leaves).

2. **Quality of Work**: Completed work shall be clean and free of all accumulated debris immediately after sweeping, regardless of the number of sweeping passes required. Vehicles that are parked in the sweeping area shall be swept around. The area occupied by a parked vehicle shall not be deducted from the total curb miles for that street. Street sweeping machines shall adhere to a ten (10) mile per hour speed limit on residential streets and twenty-five (25) miles per hour on the highway.

The Contractor may encounter debris that is larger than the mechanical sweeper can remove, such as; tires, tire parts, hubcaps, large stones, boxes, tree limbs, wood, cable, and other such materials. If this occurs, the Contractor shall use other means (hand or mechanized) to successfully remove all debris encountered, regardless of size.

The Contractor may also encounter piles of soil and vegetation that may require special removal methods during the sweeping operations. When this occurs, the Contractor shall furnish all labor, materials, and equipment required to accomplish the removal of these built up areas. Stockpiling or disposal of debris on the right of way will not be permitted. Debris shall be disposed of by the Contractor in areas provided by the Contractor in accordance with all Federal, State, and local rules and regulations in effect at the time of disposal. Costs involved with the disposal of the debris shall be included in the contract unit price per foot of street sweeping.

3. **Quantity and Frequency of Work**: Roadways have been inventoried and curb feet calculated as to quantities. One-curb foot is defined as a minimum of eight feet (8’) wide and one foot long, either continuous or accumulated in areas to be swept. A street with curbs on both sides shall be considered to have two (2) curb feet per street length. The quantities to be paid for under this section shall be the number of feet completed and accepted as measured longitudinally to the nearest one-half of a foot. The width shall be sufficient to encompass the entire width of street, curb and gutters, valley gutters, bridge decks and curbs, inside and outside highway interchange ramps (with paved shoulders greater than one foot width), outside and median paved shoulders, barrier walls, gore areas, toll plazas (when applicable), and other designated sites. Island curbs shall be swept and added to the total curb lengths.

The Contractor shall complete the work ordered within each designated cycle within thirty (30) calendar days. The County’s Representative will determine when to begin each cycle. The Contractor shall not begin any cycle until authorized by the County’s representative.

Quantities may be increased or decreased at the discretion of the County. Any discrepancies or disagreements concerning quantities and limits of work shall be mutually resolved prior to beginning work in any area in question. Areas requiring more than one sweeping pass to sufficiently remove the debris shall not be compensated twice.

The roads designated shall be swept a minimum of once every week (one cycle). During the time periods of heavy leaf fall, sweeping events shall occur two times per week. These periods will generally be during the fall and spring seasons and last no longer than two (2) months each (four (4) months total). This increase in sweeping frequency shall be at the direction of the County's representative. The frequency at which the roads are swept can be adjusted by the County's representative and/or increase or decrease the number of cycles, with any resultant cost change based on the applicable bid amount per curb mile. All work locations will be provided by the County in an "as is" condition. Schedules may be revised to accommodate problem areas. Sweeping will not be required during road construction work. If no sweeping is done on a road, those curb miles, or portion thereof, will not be paid for by the County.

Any damage caused within the right-of-way by the placement and or removal of containers, or any equipment used in the process, shall be repaired to like or better condition within forty-eight (48) hours.

5. **GPS Vehicle Tracking:** GPS vehicle tracking is a way for the County to ensure an efficient job is performed and to expeditiously resolve citizen complaints. GPS vehicle tracking shall include, but not be limited to, the following:
 - A minimum of one (1) GPS vehicle tracking unit to be professionally installed in each sweeper utilized under this contract. GPS vehicle tracking shall be used to document the performance and the completion of the assigned tasks as required by the contract. Functionality shall be tested and assured and tampering of the GPS unit shall not be permitted.
 - The GPS vehicle tracking unit shall monitor the location and activities of the street sweepers including, but not limited to: date, time, location (latitude/longitude), speed and direction of street sweeping, mileage and broom activity (actively sweeping vs. transit to work site). The creation of detailed maps and reports shall be available.
 - Should a breakdown of the GPS vehicle tracking unit occur, the Contractor shall have no more than two (2) work days to repair the unit or take the sweeper out of service for performance under the contract. The sweeper taken out of service shall be replaced by a sweeper with a functional GPS tracking unit.

A monthly billing and GPS report must accompany the monthly invoice and debris weight totals. A billing sheet template (attachment H) with the list of streets will be provided by the County Representative. The GPS report must include all the GPS reports in CSV format. The GPS reports must also be loaded into geographic information system compatible format, such as Google Earth KML file type or Ersi Shapefile format. In the electronic format, the GPS reports must be organized into folders showing clear weekly cycles which will support the monthly billing sheet.

All costs associated with the GPS vehicle tracking services as specified including, but not limited to, purchase, installation, maintenance, repair, software and internet accessibility shall be included within the cost of sweeping per curb mile as bid on the bid proposal form.

6. **Completion of Work:** Upon notice from the Contractor that an area has been completed, the County's Representative will make an inspection and notify the Contractor in writing of any deficiencies found. In the event of unsatisfactory work, the Contractor shall repeat the work without additional compensation, within the specified time.

PERFORMANCE ISSUES

The Contractor shall be responsible for meeting all contractual obligations. If performance issues arise the County will schedule a meeting to review the deficiencies. After the meeting, the Contractor shall provide a written corrective action plan to the County's designated representative. ABOUT THE
RELATIONSHIP DISCLOSURE FORM

WHAT IS THE RELATIONSHIP DISCLOSURE FORM?

The Relationship Disclosure Form (form OC CE 2D and form OC CE 2P) is a form created pursuant to the County's Local Code of Ethics, codified at Article XIII of Chapter 2 of the Orange County Code, to ensure that all development-related items and procurement items presented to or filed with the County include information as to the relationship, if any, between the applicant and the County Mayor or any member of the Board of County Commissioners (BCC). The form will be a part of the backup information for the applicant's item.

WHY ARE THERE TWO RELATIONSHIP DISCLOSURE FORMS?

Form OC CE 2D is used only for development-related items, and form OC CE 2P is used only for procurement-related items. The applicant needs to complete and file the form that is applicable to his/her case.

WHO NEEDS TO FILE THE RELATIONSHIP DISCLOSURE FORM?

Form OC CE 2D should be completed and filed by the owner of record, contract purchaser, or authorized agent. Form OC CE 2P should be completed and filed by the bidder, offeror, quoter, or respondent, and, if applicable, their authorized agent. In all cases, the person completing the form must sign the form and warrant that the information provided on the form is true and correct.

WHAT INFORMATION NEEDS TO BE DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM?

The relationship disclosure form needs to disclose pertinent background information about the applicant and the relationship, if any, between, on the one hand, the applicant and, if applicable, any person involved with the item, and on the other hand, the Mayor or any member of the BCC.

In particular, the applicant needs to disclose whether any of the following relationships exist: (1) the applicant is a business associate of the Mayor or any member of the BCC; (2) any person involved with the approval of the item has a beneficial interest in the outcome of the matter *and* is a business associate of the Mayor or any member of the BCC; (3) the applicant is a relative of the Mayor or any member of the BCC; or (4) the Mayor or any member of the BCC is an employee of the applicant. (See Section 2-454, Orange County Code.)

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Applicant means, for purposes of a development-related project, the owner, and, if applicable, the contract purchaser or owner's authorized agent. DOES THE RELATIONSHIP DISCLOSURE FORM NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the applicant to update this form whenever any of the information provided on the initial form changes.

WHERE DO THE RELATIONSHIP DISCLOSURE FORM AND ANY SUBSEQUENT UPDATES NEED TO BE FILED?

For a development-related item, the Relationship Disclosure Form and any update need to be filed with the County Department or County Division where the applicant filed the application. For a procurement item, the Relationship Disclosure Form and any update need to be filed with the Procurement Division.

WHEN DO THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial form needs to be filed when the applicant files the initial development-related project application or initial procurement-related forms. However, with respect to a procurement item, a response to a bid will not be deemed unresponsive if this form is not included in the initial packet submitted to the Procurement Division.

If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.

FREQUENTLY ASKED QUESTIONS (FAQ)
ABOUT THE
SPECIFIC PROJECT EXPENDITURE REPORT
Updated 3-1-11

WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and their authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and Contractor(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

WHO NEEDS TO FILE THE SPR?

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Expenditure means "a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4)." (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be "expenditures." (See Section 2-354, Orange County Code.)

Lobbying means seeking "to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, Contractor, contractor, recommendation, decision or other foreseeable action of the [BCC]," and "include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic." (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating "directly with the County Mayor, with any other member of the [BCC], or with any member of a procurement committee." (See Section 2-351, Orange County Code.) *Lobbying* also

means communicating "indirectly with the County Mayor or any other member of the [BCC]" by communicating with any staff member of the Mayor or any member of the BCC, the county

administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

Principal means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal’s project or item.

CONCLUSION:

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party.
