This contract may be renewed, for two (2) additional one (1) year periods upon mutual written agreement of the parties at the same prices, terms and conditions. Any change in price, terms or conditions shall be accomplished by written amendment to this contract.

Any order issued during the effective date of this contract, but not completed within that period, shall be completed by the CONTRACTOR within the time specified in the order. The contract shall govern the CONTRACTOR and the COUNTY'S rights and obligations with respect to the extent as if the order were completed during the contract's performance period.

ARTICLE 3 PAYMENTS TO CONTRACTOR (USE FOR TERM CONTRACT)

- A. The total amount to be paid by the COUNTY under this Contract for services, materials and "out of pocket" expenses shall not exceed the rates as set forth in the Fee Schedule detailed in Exhibit "B". Progress payments shall be due and payable as follows:
 - a. The General Comparable Sales Data Book fee will be paid upon receipt and approval of the Basic Data/Sales Book. The fee will be calculated as 25% of the total appraisal fees for the project.
 - b. The appraisal fee for each parcel will be paid after the appraisal report has been reviewed and accepted by the County. This includes any revisions or additions that may be required by the COUNTY to meet minimum appraisal requirements. Invoices will be processed by the Real Estate Management Division for payment within twenty (20) working days of receipt of appraisals or corrections.

- B. In the event the Contractor, through its fault, falls fifteen percent (15%) behind the project completion schedule, no further progress payments will be made until the CONTRACTOR brings the project back on schedule, a revised schedule is submitted and approved, or until all work has been completed.
- C. In the event this contract is terminated or canceled prior to completion, payment shall be made in accordance with the provisions of ARTICLE #3.
- D. If instructed, in writing, to do so by the COUNTY, the CONTRACTOR shall change or revise work that has been performed, and if such work is not required as a result of error, omission or negligence of the CONTRACTOR, the CONTRACTOR shall be entitled to additional compensation. The additional compensation shall be computed by the CONTRACTOR on a revised fee quotation proposal and submitted to the COUNTY for prior approval. The fee shall be agreed upon before commencement of any additional work and shall be incorporated by a change order to the purchase order.
- E. Travel and per diem charges shall be limited to special assignments outside of Orange County and shall not exceed the limits set forth in Section 112.061, Florida Statutes.
- F. One hundred percent (100%) of the appraisal fee for update services will be paid after the report is submitted and has been technically reviewed for value and determined that it meets the COUNTY's minimum appraisal requirements.
- G. It is agreed that, for all work not proposed as a lump sum, the hourly rates for preparing appraisal reports, updating appraisal reports, preparing specific studies, attending conferences, pre-order of taking meetings, order of taking hearings, mediations, attendance at court hearings, preparation of court exhibits, pretrial appearance and time in trial testimony will be set forth in the Fee Schedule detailed in Exhibit "B". The hourly rates shall include all costs associated with performance of the contract including travel (within Orange County) and out-of-pocket expenses. The time reported by the appraiser to perform the specific work related to litigation is subject to final approval by the Assistant County Attorney assigned to the case. The proposed fee and services shall be agreed upon before commencement of any additional work and shall be incorporated by a change order to the purchase order.
- H. Fees for sub-contractors shall be negotiated and contracted separately by the COUNTY. Also, the County reserves the right to use existing contracted contractors when they are able to provide the required services.
- I. All requests for payments must reference this contract number as well as the corresponding Purchase Order number. **Only Purchase Orders are authorized for use under this contract.**
- J. If the Contractor fails to fulfill the terms of this agreement and corresponding Purchase Order assignment by their quoted delivery date, the County may assess liquidated damages for the General Comparable Sales Data Book and for each undelivered appraisal report separately and individually. The amount of liquidated damages for the General Comparable Sales Data Book shall be one percent (1%) per calendar days and two percent (2%) per calendar day thereafter for such default between the due date and the date on which the

parcel appraisal report is delivered to the Real Estate Management Division. The Contractor may be granted an extended delivery date only upon written approval of the Real Estate Management Division's Manager or his designee. The stated percentages of liquidated damages are mutually agreed upon as a reasonable and proper measure of damages the County will sustain by failure of the Contractor to complete the work within the specified time frame; the County and the Contractor recognize that the injury to the County that may result from failure of the Contractor to complete the work within the time stipulated is uncertain and cannot be computed exactly. In no way shall assessment of liquidated damages be construed as a penalty on the Contractor.

- K. The date of valuation of each individual appraisal report shall be the last date of the Contractor's inspection of the property and shall be dated no more than twenty (20) calendar days prior to receipt of the appraisal report by the County or as agreed by the County.
- L. Failure to correct appraisal deficiencies within thirty (30) days of notification by the County, will require the Contractor to update the appraisal without additional cost to the County unless an extension of time is granted in writing by the Real Estate Management Division's Appraisal Program Manager or their designee. The date of valuation shall not be more than twenty (20) calendar days prior to receipt of the updated appraisal report by the County or as agreed by the County.
- M. Final Invoice: In order for both parties herein to close their books and records, the Contractor will clearly state "final invoice" on the Contractor's final/last billing to the County. This certifies that all services have been properly performed and all charges and costs have been invoiced to Orange County. Since this account will thereupon be closed, any and other further charges if not properly included on this final invoice are waived by the Contractor.

Failure to document a claim in this manner shall render the claim null and void. Moreover, no claim shall be accepted after final payment of the contract.

The decision of the Procurement Manager shall be issued in writing and shall be furnished to the Contractor. The decision shall state the reasons for the decision reached. The Procurement Manager shall render the final decision within sixty (60) days after receipt of Contractor's/Contractor's written request for a final decision. The Procurement Manager's decision shall be final and conclusive.

The Contractor shall proceed diligently with performance of this contract pending final resolution of any request for relief, claim, appeal or action arising under the contract and shall comply with any final decision rendered by the Manager of Procurement.

ARTICLE 25 TOBACCO FREE CAMPUS

All Orange County operations under the Board of County Commissioners shall be tobacco free. This policy shall apply to parking lots, parks, break areas and worksites. It is also applicable to contractors and their personnel during contract performance on county-owned property. Tobacco is defined as tobacco products including, but not limited to, cigars, cigarettes, e-cigarettes, pipes, chewing tobacco and snuff. Failure to abide by this policy may result in civil penalties levied under Chapter 386, Florida Statutes and/or contract enforcement remedies.

ARTICLE 26 VERIFICATION OF EMPLOYMENT STATUS

Prior to the employment of any person under this contract, the contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of (a) all persons employed during the contract term by the contractor to perform employment duties within Florida and (b) all persons, including subcontractors, assigned by the contractor to perform work pursuant to the contract with Orange County. Please refer to USCIS.gov for more information on this process.

Only those employees determined eligible to work within the United States shall be employed under the contract.

Therefore, by submission of a bid or proposal in response to this solicitation, the contractor confirms that all employees in the above categories will undergo e-verification before placement on this contract. The contractor further confirms his commitment to comply with this requirement by completing the E- Verification certification.

ARTICLE 27 LAWS AND REGULATIONS

All applicable Federal and State laws, municipal and County ordinances shall apply to the solicitation and Contract.

ARTICLE 28 PRICE ESCALATION/DE-ESCALATION (CPI)

The County may allow a price escalation provision within this award. The original contract prices shall be firm for a 3-year period. A price escalation/de-escalation will be considered at annual intervals thereafter, provided the Contractor notifies the County, in writing, of the pending price escalation/de-escalation a minimum of sixty (60) days prior to the effective date. Price adjustments shall be based on the latest version of the Consumers Price Index (CPI-U) for All Urban Consumers, All Items, U.S. City Average, non-seasonal, as published by the U.S. Department of Labor, Bureau of Labor Statistics. This information is available at www.bls.gov.

Price adjustment shall be calculated by applying the simple percentage model to the CPI data. This method is defined as subtracting the base period index value (at the time of initial award) from the index value at time of calculation (latest version of the CPI published as of the date of request for price adjustment), divided by the base period index value to identify percentage of change, then multiplying the percentage of change by 100 to identify the percentage change. Formula is as follows:

$$\text{Current Index} - \text{Base Index} / \text{Base Index} = \% \text{ of Change}$$

$$\% \text{ of Change} \times 100 = \text{Percentage Change}$$

CPI-U Calculation Example:

CPI for current period	232.945
Less CPI for base period	229.815
Equals index point change	3.130
Divided by base period CPI	229.815
Equals	0.0136
Result multiplied by 100	0.0136 x 100
Equals percent change	1.4%

A price increase may be requested only at each time interval specified above, using the methodology outlined in this section. To request a price increase, Contractor shall submit a letter stating the percentage amount of the requested increase and adjusted price to the Orange County Procurement Division. The letter shall include the complete calculation utilizing the formula above, and a copy of the CPI-U index table used in the calculation. The maximum allowable increase shall not exceed 4%, unless authorized by the Manager, Procurement Division. All price adjustments must be accepted by the Manager, Procurement Division and shall be memorialized by written amendment to this contract. No retroactive contract price adjustments will be allowed.

WHAT IS THE RELATIONSHIP DISCLOSURE FORM?

The Relationship Disclosure Form (form OC CE 2D and form OC CE 2P) is a form created pursuant to the County's Local Code of Ethics, codified at Article XIII of Chapter 2 of the Orange County Code, to ensure that all development-related items and procurement items presented to or filed with the County include information as to the relationship, if any, between the applicant and the County Mayor or any member of the Board of County Commissioners (BCC). The form will be a part of the backup information for the applicant's item.

WHY ARE THERE TWO RELATIONSHIP DISCLOSURE FORMS?

Form OC CE 2D is used only for development-related items, and form OC CE 2P is used only for procurement-related items. The applicant needs to complete and file the form that is applicable to his/her case.

WHO NEEDS TO FILE THE RELATIONSHIP DISCLOSURE FORM?

Form OC CE 2D should be completed and filed by the owner of record, contract purchaser, or authorized agent. Form OC CE 2P should be completed and filed by the proposer, offeror, quoter, or respondent, and, if applicable, their authorized agent. In all cases, the person completing the form must sign the form and warrant that the information provided on the form is true and correct.

WHAT INFORMATION NEEDS TO BE DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM?

The relationship disclosure form needs to disclose pertinent background information about the applicant and the relationship, if any, between, on the one hand, the applicant and, if applicable, any person involved with the item, and on the other hand, the Mayor or any member of the BCC.

In particular, the applicant needs to disclose whether any of the following relationships exist: (1) the applicant is a business associate of the Mayor or any member of the BCC; (2) any person involved with the approval of the item has a beneficial interest in the outcome of the matter *and* is a business associate of the Mayor or any member of the BCC; (3) the applicant is a relative of the Mayor or any member of the BCC; or (4) the Mayor or any member of the BCC is an employee of the applicant. (See Section 2-454, Orange County Code.)

HOW ARE THE KEY RELEVANT TERMS DEFINED?

DOES THE RELATIONSHIP DISCLOSURE FORM NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the applicant to update this form whenever any of the information provided on the initial form changes.

WHERE DO THE RELATIONSHIP DISCLOSURE FORM AND ANY SUBSEQUENT UPDATES NEED TO BE FILED?

For a development-related item, the Relationship Disclosure Form and any update need to be filed with the County Department or County Division where the applicant filed the application. For a procurement item, the Relationship Disclosure Form and any update need to be filed with the Procurement Division.

WHEN DO THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial form needs to be filed when the applicant files the initial development-related project application or initial procurement-related forms. However, with respect to a procurement item, a response to a bid will not be deemed unresponsive if this form is not included in the initial packet submitted to the Procurement Division.

If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.

DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?

The SPR needs to be filed with the County Department or County Division processing the application or matter. WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal’s project or item.

CONCLUSION:

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. [] an individual, [] a partnership, [] a corporation authorized to do business in the State of Florida, hereinafter referred to as the CONTRACTOR, whose Federal I.D. or Social Security number is _____.

In consideration of the mutual promises contained herein, the COUNTY and the CONTRACTOR agree as follows:

ARTICLE 1 **SERVICES**

The CONTRACTOR'S responsibility under this Contract is to provide professional/consultation services in the area of Real Estate Appraisal Services, as more specifically set forth in the Scope of Services detailed in Exhibit "A".

The COUNTY'S representative/liaison during the performance of this Contract shall be Christopher Langton, telephone no. (407) 836-7087.

ARTICLE 2 **SCHEDULE**

The CONTRACTOR shall commence services on _____ and complete all services by _____.

Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Exhibit "B".

This contract may be renewed, for two (2) additional one (1) year periods upon mutual written agreement of the parties at the same prices, terms and conditions. Any change in price, terms or conditions shall be accomplished by written amendment to this contract.

Any order issued during the effective date of this contract, but not completed within that period, shall be completed by the CONTRACTOR within the time specified in the order. The contract shall govern the CONTRACTOR and the COUNTY'S rights and obligations with respect to the extent as if the order were completed during the contract's performance period.

ARTICLE 3 **PAYMENTS TO CONTRACTOR (USE FOR TERM CONTRACT)**

- A. The total amount to be paid by the COUNTY under this Contract for services, materials and "out of pocket" expenses shall not exceed the rates as set forth in the Fee Schedule detailed in Exhibit "B". Progress payments shall be due and payable as follows:
 - a. The General Comparable Sales Data Book fee will be paid upon receipt and approval of the Basic Data/Sales Book. The fee will be calculated as 25% of the total appraisal fees for the project.
 - b. The appraisal fee for each parcel will be paid after the appraisal report has been reviewed and accepted by the County. This includes any revisions or additions that may be required by the COUNTY to meet minimum appraisal requirements.

Invoices will be processed by the Real Estate Management Division for payment within twenty (20) working days of receipt of appraisals or corrections.

- B. In the event the Contractor, through its fault, falls fifteen percent (15%) behind the project completion schedule, no further progress payments will be made until the CONTRACTOR brings the project back on schedule, a revised schedule is submitted and approved, or until all work has been completed.
- C. In the event this contract is terminated or canceled prior to completion, payment shall be made in accordance with the provisions of ARTICLE #3.
- D. If instructed, in writing, to do so by the COUNTY, the CONTRACTOR shall change or revise work that has been performed, and if such work is not required as a result of error, omission or negligence of the CONTRACTOR, the CONTRACTOR shall be entitled to additional compensation. The additional compensation shall be computed by the CONTRACTOR on a revised fee quotation proposal and submitted to the COUNTY for prior approval. The fee shall be agreed upon before commencement of any additional work and shall be incorporated by a change order to the purchase order.
- E. Travel and per diem charges shall be limited to special assignments outside of Orange County and shall not exceed the limits set forth in Section 112.061, Florida Statutes.
- F. One hundred percent (100%) of the appraisal fee for update services will be paid after the report is submitted and has been technically reviewed for value and determined that it meets the COUNTY's minimum appraisal requirements.
- G. It is agreed that, for all work not proposed as a lump sum, the hourly rates for preparing appraisal reports, updating appraisal reports, preparing specific studies, attending conferences, pre-order of taking meetings, order of taking hearings, mediations, attendance at court hearings, preparation of court exhibits, pretrial appearance and time in trial testimony will be set forth in the Fee Schedule detailed in Exhibit "B". The hourly rates shall include all costs associated with performance of the contract including travel (within Orange County) and out-of-pocket expenses. The time reported by the appraiser to perform the specific work related to litigation is subject to final approval by the Assistant County Attorney assigned to the case. The proposed fee and services shall be agreed upon before commencement of any additional work and shall be incorporated by a change order to the purchase order.
- H. Fees for sub-contractors shall be negotiated and contracted separately by the COUNTY. Also, the County reserves the right to use existing contracted contractors when they are able to provide the required services.
- I. All requests for payments must reference this contract number as well as the corresponding Purchase Order number. **Only Purchase Orders are authorized for use under this contract.**
- J. If the Contractor fails to fulfill the terms of this agreement and corresponding Purchase Order assignment by their quoted delivery date, the County may assess liquidated damages for the General Comparable Sales Data Book and for each undelivered appraisal report separately and individually. The amount of liquidated damages for the General Comparable

Sales Data Book shall be one percent (1%) per calendar days and two percent (2%) per calendar day thereafter for such default between the due date and the date on which the parcel appraisal report is delivered to the Real Estate Management Division. The Contractor may be granted an extended delivery date only upon written approval of the Real Estate Management Division's Manager or his designee. The stated percentages of liquidated damages are mutually agreed upon as a reasonable and proper measure of damages the County will sustain by failure of the Contractor to complete the work within the specified time frame; the County and the Contractor recognize that the injury to the County that may result from failure of the Contractor to complete the work within the time stipulated is uncertain and cannot be computed exactly. In no way shall assessment of liquidated damages be construed as a penalty on the Contractor.

- K. The date of valuation of each individual appraisal report shall be the last date of the Contractor's inspection of the property and shall be dated no more than twenty (20) calendar days prior to receipt of the appraisal report by the County or as agreed by the County.
- L. Failure to correct appraisal deficiencies within thirty (30) days of notification by the County, will require the Contractor to update the appraisal without additional cost to the County unless an extension of time is granted in writing by the Real Estate Management Division's Appraisal Program Manager or their designee. The date of valuation shall not be more than twenty (20) calendar days prior to receipt of the updated appraisal report by the County or as agreed by the County.
- M. Final Invoice: In order for both parties herein to close their books and records, the Contractor will clearly state "final invoice" on the Contractor's final/last billing to the County. This certifies that all services have been properly performed and all charges and costs have been invoiced to Orange County. Since this account will thereupon be closed, any and other further charges if not properly included on this final invoice are waived by the Contractor.

ARTICLE 4 INDEFINITE QUANTITY CONTRACT

This is an indefinite quantity contract for the goods or services specified. The quantities of goods and services specified are estimates only and are not purchased by this contract.

Delivery or performance shall be only as authorized by orders in accordance with the terms of this contract. The Contractor shall furnish to the County, when and if ordered, the goods and services up to and including the quantity designated in the schedule as the "Total Estimated Quantity." The County shall order at least the dollar amount designated in the schedule as the "Minimum Quantity" during the initial contract performance period. The County may issue orders requiring delivery to multiple destinations or performance at multiple locations.

Such termination may also result in suspension or debarment of the CONTRACTOR in accordance with the County's Procurement Ordinance. The CONTRACTOR and its sureties (if any) shall be liable for any damage to the COUNTY resulting from the CONTRACTOR's default of the contract. This liability includes any increased costs incurred by the COUNTY in completing contract performance.

The COUNTY may require, in writing, that the CONTRACTOR remove from this contract any employee the COUNTY deems incompetent, careless, or otherwise objectionable.

ARTICLE 13 TRUTH IN NEGOTIATION CERTIFICATE

The COUNTY shall exercise its right under this "Certificate" within one (1) year following final payment.

ARTICLE 14 ARREARS

The CONTRACTOR shall not pledge the COUNTY'S credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness. The CONTRACTOR further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Contract.

ARTICLE 15 DISCLOSURE AND OWNERSHIP OF DOCUMENTS

The CONTRACTOR shall deliver to the COUNTY for approval and acceptance, and before being eligible for final payment or any amounts due, all documents and materials prepared by and for the COUNTY under this Contract.

All oral and written information not in the public domain or not previously known, and all information and data obtained, developed or supplied by the COUNTY, or at its expense, will be kept confidential by the CONTRACTOR and will not be disclosed to any other party, directly or indirectly, without the COUNTY'S prior written consent unless required by a lawful order. All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this Contract for or at the COUNTY'S expense shall be and remain the COUNTY'S property and may be reproduced at the discretion of the COUNTY.

The COUNTY and the CONTRACTOR shall comply with the provisions of Chapter 119, Florida Statutes (Public Records Law).

All covenants, agreements, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Contract and the consummation of the transactions contemplated hereby.

ARTICLE 16 INDEPENDENT CONTRACTOR RELATIONSHIP

The CONTRACTOR is, and shall be, in the performance of all work services and activities under this Contract, an Independent Contractor, and not an employee, agent or servant of the COUNTY. All persons engaged in any of the work or services performed pursuant to this Contract shall at all times, and in all places, be subject to the CONTRACTOR'S sole direction, supervision, and control. The CONTRACTOR shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the CONTRACTOR'S relationship and the relationship of its employees to the COUNTY shall be that of an Independent Contractor and not as employees or agents of the COUNTY.

The CONTRACTOR does not have the power or authority to bind the COUNTY in any promise, agreement or representation other than as specifically provided for in this Agreement.

ARTICLE 17 CONTINGENT FEES

ARTICLE 27 LAWS AND REGULATIONS

ARTICLE 28 PRICE ESCALATION/DE-ESCALATION (CPI)

The County may allow a price escalation provision within this award. The original contract prices shall be firm for a 3-year period. A price escalation/de-escalation will be considered at annual intervals thereafter, provided the Contractor notifies the County, in writing, of the pending price escalation/de-escalation a minimum of sixty (60) days prior to the effective date. Price adjustments shall be based on the latest version of the Consumers Price Index (CPI-U) for All Urban Consumers, All Items, U.S. City Average, non-seasonal, as published by the U.S. Department of Labor, Bureau of Labor Statistics. This information is available at www.bls.gov.

Price adjustment shall be calculated by applying the simple percentage model to the CPI data. This method is defined as subtracting the base period index value (at the time of initial award) from the index value at time of calculation (latest version of the CPI published as of the date of request for price adjustment), divided by the base period index value to identify percentage of change, then multiplying the percentage of change by 100 to identify the percentage change. Formula is as follows:

$$\text{Current Index} - \text{Base Index} / \text{Base Index} = \% \text{ of Change}$$

$$\% \text{ of Change} \times 100 = \text{Percentage Change}$$

CPI-U Calculation Example:

CPI for current period	232.945
Less CPI for base period	229.815
Equals index point change	3.130
Divided by base period CPI	229.815
Equals	0.0136
Result multiplied by 100	0.0136 x 100
Equals percent change	1.4%

A price increase may be requested only at each time interval specified above, using the methodology outlined in this section. To request a price increase, Contractor shall submit a letter stating the percentage amount of the requested increase and adjusted price to the Orange County Procurement Division. The letter shall include the complete calculation utilizing the formula above, and a copy of the CPI-U index table used in the calculation. The maximum allowable increase shall not exceed 4%, unless authorized by the Manager, Procurement Division. All price adjustments must be accepted by the Manager, Procurement Division and shall be memorialized by written amendment to this contract. No retroactive contract price adjustments will be allowed.

Should the CPI-U for All Urban Consumers, All Items, U.S City Average, as published by the U.S. Department of Labor, Bureau of Labor Statistics decrease during the term of the contract, or any renewals, the Contractor shall notify the Orange County Procurement Division of price decreases in the method outlined above. If the Contractor fails to pass the decrease on to the County, the County reserves the right to place the Contractor in default, cancel the award, and

remove the Contractor from the County Vendor List for a period of time deemed suitable by the County. In the event of this occurrence, the County further reserves the right to utilize any options as stated herein.
