DESIGN WITHIN FUNDING LIMITATIONS

The following provisions are applicable to contracts for design services:

- A. The CONSULTANT shall accomplish the design services under this Contract, when applicable, so as to permit the award of a contract (using standard Orange County procedures for the construction of the facilities) at a price that does not exceed the estimated construction contract price as set forth in paragraph (c) below. The COUNTY shall exercise reasonable commercial judgment in making the controlling

determination as to whether such conditions are within the reasonable control of the CONSULTANT.

- B. The CONSULTANT will promptly advise the COUNTY if it finds that the project being designed will exceed or is likely to exceed the funding limitations and it is unable to design a usable facility within these limitations. Upon receipt of such information, the COUNTY will review the CONSULTANT'S revised estimate of construction cost. The COUNTY may, if it determines that the estimated construction contract price set forth in this Contract is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph (c) below, or the COUNTY may adjust such estimated construction contract price via amendment to this Contract. When bids or Proposals are not solicited or are unreasonably delayed, the COUNTY shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or Proposals to determine compliance with the funding limitation.
- C. The estimated construction cost for any project under this contract shall not exceed \$4,000,000. Each Task Authorization shall specifically indicate the project's estimated construction cost. Task Authorizations issued for study activities may not exceed \$500,000.
- D. The CONSULTANT and its subsidiaries or affiliates who designed the project shall be ineligible for the award of the construction contract for that project.

South St., Orlando, FL 32801. This information will identify subcontracting elements such as electrical, trucking, sodding, surveying, etc. with the estimated percentage of the total project represented by each subcontracting element.
 - 2. Upon submission of the 100% submittals to the user department, the CONSULTANT shall provide to the Business Development Division an estimate of the percentage of work to be performed under each standard CSI division heading, the total of which shall in all cases equal 100%.

No claims for an increase in Contract Amount or Contract Time based on the COUNTY'S use of this provision will be valid. CONSULTANT shall indemnify and hold the County harmless from and against any claim by CONSULTANT'S personnel on account of the use of this provision.
- J. All final plans and documents prepared by the CONSULTANT must bear the endorsement of a person in the full employ of the CONSULTANT and currently registered as a professional in the State of Florida.

The Proposer shall ensure that the basic description of the similar project, including all required performance requirements and/or dimensions are identified and that the elements are adequately explained in the text. The description shall document how the particular element was performed in conjunction with the overall project. The mere listing of elements without specific details in the body of the description will negatively impact the scoring for the project.

Failure to identify the specific performance requirements and/or dimensions of the project to ensure it meets the similar project description shall negatively impact that project's score.

Note: Determination of a project as similar shall be at the sole discretion of the County.

38. **EXPERIENCE OF THE PROJECT TEAM**

It is the responsibility of the Proposer to verify sub consultants and/or other team member's satisfactory performance on previous Orange County projects.

39. **VOLUME OF WORK**

The county shall evaluate information in its "Volume of Work" database to determine the Proposers' scores for the Volume of Work criteria. This information is available on-line at:

<http://www.orangecountyfl.net/VendorServices/VolumeofWorkReport.aspx>

This database includes only the award amounts specifically attributable to the consultant, either as a prime or as a sub-consultant or as a member of a

joint venture under previously awarded contracts, contract amendments, purchase orders, task authorizations, and change orders to those purchase orders and task authorizations. In the case of mergers between two or more firms or a parent subsidiary relationship the combined fee for all companies involved will be considered. Fees will be counted towards the Volume of Work at the time of award (not invoices paid). Total fees under negotiation are based on the budget amount for professional services. The end date for volume of work calculations is the date set for receipt of proposal.

Volume of Work is calculated using the following formula:

CONTRACT PERIOD	TOTAL FEE AWARDED TO PRIME CONSULTANT		FACTOR		ADJUSTED FEE AMOUNT
(1) From October 1, 2021 to April 1, 2023	\$	X	1.0	=	\$
(2) First Year Past: 10/01/20- 9/30/21	\$	X	0.75	=	\$
(3) Second Year Past: 10/01/19- 09/30/20	\$	X	0.50	=	\$
(4) Third Year Past: 10/01/18-09/30/19	\$	X	0.25	=	\$
(5) Total Fees Under Negotiation	\$	X	0.90	=	\$
TOTAL FEE CONSIDERED					\$

Proposers are cautioned that they are responsible for confirming the accuracy of their volume of work data prior to the time and date set for receipt of proposals.

Points will be awarded as follows:

- Firms with no previous work with the County as a prime consultant or sub-consultant during the current fiscal year and previous fiscal years **5 Points**
- Firms with adjusted fees of \$1 through \$2,000,000 **4 Points**
- Firms with adjusted fees of \$2,000,001 through \$3,000,000 **3 Points**
- Firms with adjusted fees of \$3,000,001 through \$4,000,000 **2 Points**
- Firms with adjusted fees of \$4,000,001 through \$5,000,000 **1 Point**
- Firms with adjusted fees exceeding \$5,000,000 **0 Points**

When a Joint Venture submits a proposal, the volume of work awarded by the County to each Joint Venture firm will be multiplied by the percentage of participation in the Joint Venture by that firm and those adjusted figures totaled to determine the total dollar amount to be used in the category.

40. **ORAL PRESENTATIONS**

At this time, oral presentations are not contemplated for this procurement.

41. **PROCEDURES AFTER RECEIPT OF PROPOSALS**

- a. Proposals will be evaluated, scored and short-listed by a Procurement

III
DESIGN WITHIN FUNDING LIMITATIONS

The following provisions are applicable to contracts for design services:

- A. The CONSULTANT shall accomplish the design services under this Contract, when applicable, so as to permit the award of a contract (using standard Orange County procedures for the construction of the facilities) at a price that does not exceed the estimated construction contract price as set forth in paragraph (c) below. When bids or Proposals for the construction contract are received that exceed the estimated price, the CONSULTANT shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this Contract. However, the CONSULTANT shall not be required to perform such additional services at no cost to the COUNTY, if the unfavorable bids or Proposals results from conditions beyond the CONSULTANT'S reasonable control. The COUNTY shall exercise reasonable commercial judgment in making the controlling determination as to whether such conditions are within the reasonable control of the CONSULTANT.
- B. The CONSULTANT will promptly advise the COUNTY if it finds that the project being designed will exceed or is likely to exceed the funding limitations and it is unable to design a usable facility within these limitations. Upon receipt of such information, the COUNTY will review the CONSULTANT'S revised estimate of construction cost. The COUNTY may, if it determines that the estimated construction contract price set forth in this Contract is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph (c) below, or the COUNTY may adjust such estimated construction contract price via amendment to this Contract. When bids or Proposals are not solicited or are unreasonably delayed, the COUNTY shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or Proposals to determine compliance with the funding limitation.
- C. The estimated construction cost for any project under this contract shall not exceed \$4,000,000. Each Task Authorization shall specifically indicate the project's estimated construction cost. Task Authorizations issued for study activities may not exceed \$500,000.
- D. The CONSULTANT and its subsidiaries or affiliates who designed the project shall be ineligible for the award of the construction contract for that project.

IV
RESPONSIBILITY OF THE CONSULTANT

- C. Substitution of the Project Manager, Project Engineer or Other Key Personnel: The CONSULTANT shall not substitute any key personnel without the prior written approval of the Manager of the Procurement Division. Any such requests shall be supported by comprehensive documentation outlining the reason(s) for the proposed substitution to include the specific qualifications of the proposed substitute. Approval of the request shall be at the discretion of the COUNTY. Further, the COUNTY, in lieu of approving a substitution, may initiate other actions under the contract, including termination.
- D. Neither the County's review, approval or acceptance of, nor payment for, the services required under this contract shall be construed to operate as a waiver of any rights under this contract or of any cause of action arising out of the performance of this contract, and the CONSULTANT shall be and remain liable to the COUNTY in accordance with applicable law for all damages to the COUNTY caused by the CONSULTANT'S negligent performance of any of the services furnished under this contract.
- E. The rights and remedies of the COUNTY provided for under this contract are in addition to any other rights and remedies provided by law.
- F. If the CONSULTANT is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.
- G. For contracts requiring design services, the CONSULTANT shall comply with the following requirements:
 - 1. Concurrent with the submission of the 100% design submittal to the user division, the CONSULTANT shall submit a complete breakdown of the subcontracting opportunities for the project based on traditional industry practices and their expertise to the Business Development Division, 400 E. South St., Orlando, FL 32801. This information will identify subcontracting elements such as electrical, trucking, sodding, surveying, etc. with the estimated percentage of the total project represented by each subcontracting element.
 - 2. Upon submission of the 100% submittals to the user department, the CONSULTANT shall provide to the Business Development Division an estimate of the percentage of work to be performed under each standard CSI division heading, the total of which shall in all cases equal 100%.

- H. The CONSULTANT shall maintain an adequate and competent staff of professionally qualified persons during the term of this Contract for the purpose of rendering the required services hereunder. The CONSULTANT shall not sublet, assign or transfer any services under this agreement without the written consent of the COUNTY.
- I. The COUNTY may require in writing that the CONSULTANT remove from the Work any of the CONSULTANT'S personnel that the COUNTY determines to be incompetent, careless or otherwise objectionable. No claims for an increase in Contract Amount or Contract Time based on the COUNTY'S use of this provision will be valid. CONSULTANT shall indemnify and hold the County harmless from and against any claim by CONSULTANT'S personnel on account of the use of this provision.
- J. All final plans and documents prepared by the CONSULTANT must bear the endorsement of a person in the full employ of the CONSULTANT and currently registered as a professional in the State of Florida.

V

COUNTY'S RIGHTS AND RESPONSIBILITIES

The COUNTY shall:

- A. Furnish the CONSULTANT with existing data, plans, profiles, and other information necessary or useful in connection with the planning of the program that is available in the COUNTY'S files, all of which shall be and remain the property of the COUNTY and shall be returned to the COUNTY upon completion of the services to be performed by the CONSULTANT,

**FREQUENTLY ASKED QUESTIONS (FAQ) ABOUT THE SPECIFIC PROJECT
EXPENDITURE REPORT**

Updated 3-1-11

WHAT IS A SPECIFIC PROJECT EXPENDITURE REPORT (SPR)?

A Specific Project Expenditure Report (SPR) is a report required under Section 2-354(b) of the Orange County Lobbying Ordinance, codified at Article X of Chapter 2 of the Orange County Code, reflecting all lobbying expenditures incurred by a principal and his/her authorized agent(s) and the principal's lobbyist(s), contractor(s), subcontractor(s), and consultant(s), if applicable, for certain projects or issues that will ultimately be decided by the Board of County Commissioners (BCC).

Matters specifically exempt from the SPR requirement are ministerial items, resolutions, agreements in settlement of litigation matters in which the County is a party, ordinances initiated by County staff, and some procurement items, as more fully described in 2.20 of the Administrative Regulations.

Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying need not be disclosed on this form. (See Section 2-354(b), Orange County Code.)

WHO NEEDS TO FILE THE SPR?

The principal or his/her authorized agent needs to complete and sign the SPR and warrant that the information provided on the SPR is true and correct.

A principal that is a governmental entity does not need to file an SPR.

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Expenditure means "a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made by a lobbyist or principal for the purpose of lobbying. This may include public relations expenditures (including but not limited to petitions, flyers, purchase of media time, cost of print and distribution of publications) but does not include contributions or expenditures reported pursuant to Chapter 106, Florida Statutes, or federal election law, campaign-related personal services provided without compensation by individuals volunteering their time, any other contribution or expenditure made by or to a political party, or any other contribution or expenditure made by an organization that is exempt from taxation under 26 U.S.C. s. 527 or s. 501(c)(4)." (See Section 112.3215, Florida Statutes.) Professional fees paid by the principal to his/her lobbyist for the purpose of lobbying are not deemed to be "expenditures." (See Section 2-354, Orange County Code.)

Lobbying means seeking "to encourage the approval, disapproval, adoption, repeal, rescission, passage, defeat or modification of any ordinance, resolution, agreement, development permit, other type of permit, franchise, vendor, consultant, contractor, recommendation, decision or other foreseeable action of the [BCC]," and "include[s] all communications, regardless of whether initiated by the lobbyist or by the person being lobbied, and regardless of whether oral, written or electronic." (See Section 2-351, Orange County Code.) Furthermore, *lobbying* means communicating "directly with the

County Mayor, with any other member of the [BCC], or with any member of a procurement committee.” (See Section 2-351, Orange County Code.) *Lobbying* also means communicating “indirectly with the County Mayor or any other member of the [BCC]” by communicating with any staff member of the Mayor or any member of the BCC, the county administrator, any deputy or assistant county administrator, the county attorney, any county department director, or any county division manager. (See Section 2-351, Orange County Code.) *Lobbying* does not include the act of appearing before a Sunshine Committee, such as the Development Review Committee or the Roadway Agreement Committee other than the BCC.

Principal means “the person, partnership, joint venture, trust, association, corporation, governmental entity or other entity which has contracted for, employed, retained, or otherwise engaged the services of a lobbyist.” *Principal* may also include a person, partnership, joint venture, trust, association, corporation, limited liability corporation, or other entity where it or its employees do not qualify as a lobbyist under the definition set forth in Section 2-351 of the Orange County Code but do perform lobbying activities on behalf of a business in which it has a personal interest.

DOES THE SPR NEED TO BE UPDATED IF INFORMATION CHANGES?

Yes. It remains a continuing obligation of the principal or his/her authorized agent to update the SPR whenever any of the information provided on the initial form changes.

WHERE DO THE SPR AND ANY UPDATES NEED TO BE FILED?

The SPR needs to be filed with the County Department or County Division processing the application or matter. If and when an additional expenditure is incurred subsequent to the initial filing of the SPR, an amended SPR needs to be filed with the County Department or County Division where the original application, including the initial SPR, was filed.

WHEN DO THE SPR AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial SPR needs to be filed with the other application forms. The SPR and any update must be filed with the appropriate County Department or County Division not less than seven (7) days prior to the BCC hearing date so that they may be incorporated into the BCC agenda packet. (See Section 2-354(b), Orange County Code.) When the matter is a discussion agenda item or is the subject of a public hearing, and any additional expenditure occurs less than 7 days prior to BCC meeting date or updated information is not included in the BCC agenda packet, the principal or his/her authorized agent is obligated to verbally present the updated information to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL BE MADE AWARE OF THE INFORMATION DISCLOSED ON THE SPR AND ANY UPDATES?

The information disclosed on the SPR and any updates will be a public record as defined by Chapter 119, Florida Statutes, and therefore may be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This information will accompany the other information for the principal's project or item.

CONCLUSION:

We hope you find this FAQ useful to your understanding of the SPR. Please be informed that in the event of a conflict or inconsistency between this FAQ and the requirements of the applicable ordinance governing specific project expenditure reports, the ordinance controls.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to a principal, his/her authorized agent, or any other outside party. Accordingly, if after reading this FAQ the principal, his/her authorized agent or an outside party has any questions, he/she is encouraged to contact his/her own legal counsel.

ABOUT THE

Updated 6-28-11

WHAT IS THE RELATIONSHIP DISCLOSURE FORM?

The Relationship Disclosure Form (form OC CE 2D and form OC CE 2P) is a form created pursuant to the County's Local Code of Ethics, codified at Article XIII of Chapter 2 of the Orange County Code, to ensure that all development-related items and procurement items presented to or filed with the County include information as to the relationship, if any, between the applicant and the County Mayor or any member of the Board of County Commissioners (BCC). The form will be a part of the backup information for the applicant's item.

WHY ARE THERE TWO RELATIONSHIP DISCLOSURE FORMS?

Form OC CE 2D is used only for development-related items, and form OC CE 2P is used only for procurement-related items. The applicant needs to complete and file the form that is applicable to his/her case.

WHO NEEDS TO FILE THE RELATIONSHIP DISCLOSURE FORM?

Form OC CE 2D should be completed and filed by the owner of record, contract purchaser, or authorized agent. Form OC CE 2P should be completed and filed by the bidder, offeror, quoter, or respondent, and, if applicable, their authorized agent. In all cases, the person completing the form must sign the form and warrant that the information provided on the form is true and correct.

WHAT INFORMATION NEEDS TO BE DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM?

The relationship disclosure form needs to disclose pertinent background information about the applicant and the relationship, if any, between, on the one hand, the applicant and, if applicable, any person involved with the item, and on the other hand, the Mayor or any member of the BCC.

In particular, the applicant needs to disclose whether any of the following relationships exist: (1) the applicant is a business associate of the Mayor or any member of the BCC; (2) any person involved with the approval of the item has a beneficial interest in the outcome of the matter *and* is a business associate of the Mayor or any member of the BCC; (3) the applicant is a relative of the Mayor or any member of the BCC; or (4) the Mayor or any member of the BCC is an employee of the applicant. (See Section 2-454, Orange County Code.)

HOW ARE THE KEY RELEVANT TERMS DEFINED?

Applicant means, for purposes of a development-related project, the owner, and, if applicable, the contract purchaser or owner's authorized agent. *Applicant* means, for purposes of a procurement item, the bidder, offeror, quoter, respondent, and, if applicable, the authorized agent of the bidder, offeror, quoter, or respondent.

Business associate means any person or entity engaged in or carrying on a business enterprise with a public officer, public employee, or candidate as a partner, joint venture, corporate shareholder where the shares of such corporation are not listed on any national or regional stock exchange, or co-owner of property. In addition, the term includes any person or entity engaged in or carrying on a business enterprise, or otherwise engaging in common investment, with a public officer, public employee, or candidate as a partner, member, shareholder, owner, co-owner, joint venture partner, or other investor, whether directly or indirectly, whether through a Business Entity or through interlocking Parent Entities, Subsidiary Entities, or other business or investment scheme, structure, or venture of any nature. Yes. It remains a continuing obligation of the applicant to update this form whenever any of the information provided on the initial form changes.

WHERE DO THE RELATIONSHIP DISCLOSURE FORM AND ANY SUBSEQUENT UPDATES NEED TO BE FILED?

For a development-related item, the Relationship Disclosure Form and any update need to be filed with the County Department or County Division where the applicant filed the application. For a procurement item, the Relationship Disclosure Form and any update need to be filed with the Procurement Division .

WHEN DO THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES NEED TO BE FILED?

In most cases, the initial form needs to be filed when the applicant files the initial development-related project application or initial procurement-related forms. However, with respect to a procurement item, a response to a bid will not be deemed unresponsive if this form is not included in the initial packet submitted to the Procurement Division .

If changes are made after the initial filing, the final, cumulative Relationship Disclosure Form needs to be filed with the appropriate County Department or County Division processing the application not less than seven (7) days prior to the scheduled BCC agenda date so that it may be incorporated into the BCC agenda packet. When the matter is a discussion agenda item or is the subject of a public hearing, and an update has not been made at least 7 days prior to BCC meeting date or is not included in the BCC agenda packet, the applicant is obligated to verbally present such update to the BCC when the agenda item is heard or the public hearing is held. When the matter is a consent agenda item and an update has not been made at least 7 days prior to the BCC meeting or the update is not included in the BCC agenda packet, the item will be pulled from the consent agenda to be considered at a future meeting.

WHO WILL REVIEW THE INFORMATION DISCLOSED ON THE RELATIONSHIP DISCLOSURE FORM AND ANY UPDATES?

The information disclosed on this form and any updates will be a public record as defined by Chapter 119, Florida Statutes, and may therefore be inspected by any interested person. Also, the information will be made available to the Mayor and the BCC members. This form and any updates will accompany the information for the applicant's project or item.

However, for development-related items, if an applicant discloses the existence of one or more of the relationships described above and the matter would normally receive final consideration by the Concurrency Review Committee or the Development Review Committee, the matter will be directed to the BCC for final consideration and action following committee review.

Also, please be informed that the County Attorney's Office is not permitted to render legal advice to an applicant or any other outside party. Accordingly, if the applicant or an outside party has any questions after reading this FAQ, he/she is encouraged to contact his/her own legal counsel.
